5. API Support

Description

Kareo is the leading cloud-based complete medical technology platform purpose-built to meet the unique needs of independent practices in more than 45 specialties.

Today Kareo helps over 75,000 providers in all 50 states run more efficient and profitable practices, while delivering outstanding patient care. The Kareo technology platform is the first to help independent practices find more patients, manage their care with a fully certified and easy-to-use EHR, and get paid quickly all in one complete and integrated package.

Kareo has received extensive industry recognition, including the Deloitte Technology Fast 500, Inc. 5000, and Black Book's #1 Integrated EHR, Practice Management and Medical Billing vendor, as well as ranking at the top of the Leader Quadrant in the FrontRunners Software Analysis of EHR. Kareo's growth further demonstrates the expansion and vitality of the independent practice market in the U.S. With offices across the country, Kareo's mission is to help independent practices succeed in an ever-changing healthcare market. More information can be found at www.kareo.com or by calling 888-775-2736.
